

The NEONATOLOGY REFRESHER COURSE-2021
Is Back with “The Lockdown series-2!!!”

“Covering the Uncovered....”

3rd to 10th September

4:00-6:30 pm

Venue: Your ‘WiFi-enabled’ Quiet Space

The Neonatal Refreshers Course is a comprehensive and preparatory CME for fellows enrolled for the Neonatal Fellowship program (1st preference). This year we shall have a host of less frequented topics, simulated tables and workstations that would help you to shape your perspectives and give you the finishing touches as you embark into an amazing career in Neonatology!!

FOCUS

“Case scenario-based discussions delving into pathophysiology and recent evidence”

Registrations for the first 70 candidates
