Dear Member,

NIMA-MBS is concerned not only for NIMA - Member's Healthcare, but will take care of our family too.

Most of the NIMA Members are Private Practitioner & they don't have Pension, GPF or any other Savings from Govt. for their dependants to give them **Financial Security**.

Since 1989 the Seniors of NIMA thought on Members of Private Practitioner's as well as in Serviceman's problems and finally comes out with **Mutual Benefit Scheme**.

NIMA MBS : AIMS & Objects : TO Provides Financial Assistance to

- The Family of a deceased Member of the Scheme.
- The Member in case of sickness (subject to the other provisions)
- The Member in case of his Permanent Disability.

From the beginning the scheme was schedule for 15 year term and Financial help to the member's dependants (family) was 20000/-. **From 1993 the term of scheme reschedule to 20 years**. The monetary help to the family - depends on the strength of members which is gradually increasing is 20000- 30000, 35000 - 40000 - 45000-50000-60000-65000- **75000**.

It is very disheartening to note that out of 28 Thousands & above NIMA members at least 22 Thousands to be under the age of 60 yrs and they have till not join the MBS because of so many reasons. One is that the scheme may not be propagated properly beyond the active workers of Association. **If the MBS Members increases upto 3000 the benefit may go around Rs. 1 Lac**. At present we have so far 1700 MBS member and financial help to Rs. 75 Thousands. So it is very necessary that every MBS Member can convince New Members that it's not impossible.

We know that all Ex. Members of a Local- State- Central Branches, State Concile Members, Sub-Committees Members are supposed to be more active members of our Association. We request all of you to make good definition of Active-Members is as.... Those who are the member of JNIMA, MBS and participate in all activity of NIMA. In such way we propagate the scheme widely.
